Parent Consent Form

By signing below, I consent to my child being provided with a session of scooter training.

I understand that the session is to be undertaken in an environment that is safe, under the supervision of qualified personnel.

I acknowledge that the session is at my child's own risk and that the event is provided as a charity activity.

I have read and understood the information on the consent form.

Active School Travel

One active travel journey can make all the difference.

Once a week – try it!

For more information on the Active School Travel program, visit www.brisbane.qld.gov.au or contact Council on (07) 3403 8888.

Active School Travel

Scooter Skills Training is a key initiative of Brisbane City Council's Active School Travel program, which aims to reduce Traffic Congestion and School Travel Green and promote sustainable and healthy school travel modes such as:

- walking
- cycling
- public transport
- scooting
- carpooling

The Active School Travel program uses a combination of skills training and information and motivation to encourage behaviour change to active travel modes.

Last year, the Active School Travel program achieved a reduction of 33% in car travel for a family car trip, across participating schools.

Dedicated to a better Brisbane
