# Welcome to Swimming with Aspley Swimming Club

***“So many people along the way, whatever it is you aspire to do, will tell you it can’t be done. But all it takes is imagination. You dream. You plan. You reach.” – Michael Phelps***

On behalf of this year’s Committee, it is our great pleasure to welcome all new and returning members to the current season. This Club has been in operation since 1966 and we will continue to strive to give children the opportunity to develop their proficiency and especially their enjoyment in the sport of swimming.

The philosophy of the Club is to provide competitive swimming opportunities for school age children. For most of our swimmers this will mean joining in our Friday night Club Meets where the emphasis is on improving your swimming times in a family friendly environment. We also encourage and support our more competitive swimmers who represent our Club at Swimming Queensland and Brisbane Swimming Association sanctioned meets.

**There is a place for everyone at our Club!** Whether you are a Learn to Swim member, a social or a more competitive swimmer; we want you all to feel part of this great club that has gone from strength to strength since its inception.

We have new committee members each year and we continue to plan some great things this season, but we continue to need your help. This club is not made up of the small number of committee members, the children, and parents who come along each Friday night and get involved in whatever role is needed. The committee has been working hard to provide a social program that will suit all our members no matter what level of ability, development, or commitment; we need your participation and involvement to make these events a success.

As a club we have made commitments to attend two carnivals, we are working on the dates for these and will let you know when these are scheduled. These meets are a perfect opportunity to introduce swimmers into the competitive side of swimming whilst representing our club. We always aim to do our best, but as the name implies, these events are ‘friendly’, and we continue to strengthen our relationships with fellow Swimming Clubs across the greater Brisbane metropolitan area.

As a club we will also invite our competitive swimmers to attend meets throughout the season. These Swimming Queensland / Brisbane Swimming Association sanctioned meets will be advertised as they arise.

We also continue our successful training partnership with Swim Solutions who provide our Learn to Swim lessons and Squad training programs.

The continuing aims of the club are to:

- promote swimming as a competitive sport
- encourage water confidence and fitness
- encourage self-improvement
- promote good sportsmanship

As always, the Committee are here to help. We will endeavour to provide any information or answer any questions you may have. Our contact details are printed in this Handbook and are listed on the website. Any general queries should be directed to the Committee.

President  
Aspley Swimming Club

## General Behavioural Guidelines

Swimming Australia promotes the following behavioural guidelines to all people involved in any way with the sport of swimming, particularly those responsible for activities involving members under the age of 18 years. These behavioural guidelines highlight the principles and values of Swimming Australia and are the core principles of the Member Welfare and Child Welfare Policy documents.

As a person involved in any way with the sport of swimming, the following standard of behaviour is expected:

- Respect the rights, dignity and worth of others.
- Be ethical, considerate, fair and honest in all dealings with other people and organisations.
- Be professional and accept responsibility for your actions.
- Make a commitment to providing quality service.
- Be aware of Swimming Australia's standards, rules and policies.
- Operate within the rules and spirit of the sport, including the national and international guidelines that govern Swimming Australia.
- Understand the possible consequences of breaching Swimming Australia Member Welfare and Child Welfare Policies.
- Immediately report any breaches of the Swimming Australia Member Welfare and Child Welfare Policies to the appropriate authority.
- Refrain from any form of abuse towards others.
- Refrain from any form of harassment toward others.
- Refrain from any form of discrimination toward others.
- Refrain from intimate relations with members whom they have a supervisory role or power over.
- Refrain from any form of victimisation toward others.
- Provide a safe environment for the conduct of activities in accordance with any relevant Swimming Australia policy.
- Show concern and caution toward others that may be sick or injured.
- Be a positive role model.

## Competitor Behavioural Guidelines

- Abide by the General Behavioural Guidelines.
- Always follow the rules of Swimming Australia.
- Always give your best.
- Never argue with an official. Use the appropriate rules and guidelines to resolve a dispute.
- Control your temper. Verbal or physical abuse is not acceptable.
- Work equally hard for yourself and/or your team.
- Be a good sport. Applaud good performances whether they are made by your team or the opposition.
- Treat all swimming participants, as you would like to be treated. Do not bully or take unfair advantage of another competitor.
- Cooperate with your coaches, teammates, opponents, management, event staff and officials.
- Participate for your own enjoyment and benefit, not to satisfy the expectations of others.
- Respect the rights, dignity and worth of all participants regardless of their gender, ability, ethnicity, cultural background or religion.

## Spectator Behavioural Guidelines

- Abide by the General Behavioural Guidelines.
- Remember that people participate in sport for their enjoyment and benefit, not yours.

- Applaud good performance and efforts from all individuals and teams. Congratulate all participants on their performance regardless of the outcome.
- Respect the decisions of officials and teach others to do the same.
- Never ridicule or scold an athlete for making a mistake. Positive comments are motivational.
- Reject the use of violence in any form, whether it is by spectators, coaches, officials or competitors.
- Show respect for all athletes. Without them there would be no competition.
- Encourage competitors to follow the rules and the officials' decisions.
- Do not use foul language, sledge, or harass other competitors, coaches or officials.
- Respect the rights, dignity and worth of every person regardless of their gender, ability, cultural background or religion.

### **Parent/ Guardian Behavioural Guidelines**

- Abide by the General Behavioural Guidelines.
- Encourage your child to participate in sport for their individual enjoyment, personal satisfaction, and improvement.
- Focus on your child's effort and performance, rather than winning or losing.
- Encourage your child to abide by the rules and accept judgements made by officials.
- Never ridicule or yell at a child for making a mistake or performing below expectation.
- Be an example to your child and others. Appreciate good performances by all participants.
- Support all efforts to remove verbal and physical abuse from the sporting environment.
- Show appreciation and respect for all people involved in your child's swimming.
- Respect the rights, dignity and worth of all participants, regardless of their gender, ability, ethnicity, cultural background or religion.

The date, time and venue for these meetings will be advertised on the Aspley Swimming Club's Facebook group page.

## CLUB NIGHTS

### CLUB MEET PROCEDURES

No previous experience is necessary as the club will provide adequate training. This involvement provides an ideal opportunity to meet other parents in the club.

Automatic nominations apply to all registered club swimmers. **It is the swimmer's responsibility to inform the Nominations Clerk** if they are unable to attend a club meet by the prior Thursday night, **no later than 6pm**.

(Please refer to Nominations Notes on next page.)

- **For the start of each race (after the referee's whistle), we ask for complete silence from the stand and all movement to cease.**
- **At the end of a race swimmers must stay in the water in their correct lanes with caps on until the Referee instructs them to leave the water. Swimmers must then exit by the steps on both sides of the pool. Failure to comply will result in disqualification.**

## NOMINATIONS

All children need to nominate the strokes and lengths that they want to swim. **Nominations from last season are carried forward.** If you are new to the Club and we did not capture your nominations, we would have assigned your child to either the 12.5m (< 9 y.o) or 25m (older) distance events and strokes as per your Membership Form.

In future weeks, if you want to add your child to additional events, please email [swimaspley@hotmail.com](mailto:swimaspley@hotmail.com) add '**Nominations**' in the subject line. ## QUALIFYING TIMES & POINTS SYSTEM

### GRADING OF SWIMMERS

Club events are based on a system of graded scratch races (swimming against those with similar times irrespective of age). Points are allocated on basis of comparison with the swimmer's own best time.

Current swimmers' best time will be carried over from the previous season.

When a faster than best time is recorded, this time becomes the new best time.

Swimmers will automatically grade to the new distance on achieving the qualifying time on two swims. This applies to all strokes including medley.

### QUALIFYING TIMES

STROKE	DISTANCE (metres)	TIME (seconds)	NEW DISTANCE
FREESTYLE	12.5m 25m	15 25	25m 50m
	50m	40	100m
	12.5m 25m	17 29	25m 50m
BREASTSTROKE	50m	50	100m
	12.5m 25m	16 28	25m 50m
	50m	47	100m
BACKSTROKE	12.5m 25m	15 27	25m 50m
	50m	43	100m
	12.5m 25m	15 27	25m 50m
BUTTERFLY	50m	43	100m
	12.5m 25m	15 27	25m 50m
INDIVIDUAL MEDLEY	4x25m	1.40	4x50m

A swimmer must have swum 25m of each stroke to be eligible to nominate for the individual medley.

Once a swimmer automatically grades to 100m they must compete in that 100m event when it occurs.

For swimmers to be eligible for 200m and 400m swims they **must** have qualified for 100m in the stroke nominated

# QUALIFYING TIMES & POINTS SYSTEM

## ACCUMULATED POINTS SYSTEM

Points are awarded for performances in each stroke swum at club meets as per the chart below:

DIVISION (Metres)		POINTS				
		12.5m	25m	50m	100m	I.M
Slower than best time by:	Greater than 2.5 sec	1	1	1	1	1
	Over 1.5 & less than or equal to 2.5 sec	2	2	2	2	2
	Over 0.5 & less than or equal to 1.5 sec	3	3	3	3	3
Either side of best time by:	0.5sec	4	4	4	4	4
Faster than best time by:	Over 0.5 & less than or equal to 1.5 sec	5	5	5	5	5
	Over 1.5 & less than or equal to 2.5 sec	6	6	6	6	6
	Greater than 2.5sec	7	7	7	7	7

The allocation of points is made automatically by the electronic timing system.

President's Trophy, Individual Medley Trophy Race and Age Championship event points are **not** accumulated towards Member's overall season total.

## FACTORS PERTAINING TO THE POINTS SYSTEM

For new members the time recorded for the first swim becomes the best time. These members and graduating swimmers will accrue 4 points irrespective of which distances swimmers are graduating to or from.

12.5m	25m	4 points
25m	50m	4 points
50m	100m	4 points

If a swimmer nominates in a stroke and elects not to swim in that stroke without good reason, and without advising the Referee, one (1) penalty point will be deducted from his/her accumulated total for that stroke.

If a swimmer is disqualified, they will accumulate one point.

## Competition Meets

### ATTENDING MEETS WITH THE ASPLEY TEAM

Swimming Queensland Membership fees include the opportunity for members to nominate to compete at any Swimming Queensland/Brisbane Swimming Association approved meet or interclub carnivals with affiliated clubs.

The Club encourages as many competitive swimmers as possible to take up this option to enhance their swimming experience. Some meets require qualifying times, others do not. There are meets for everyone. If you are unsure, please speak to the Race Secretary. Details of meets are notified via our Facebook page and will also be posted to the club website. Please read the information carefully and submit your nominations by the club's closing date. This date will usually be a few days prior to the Meets' advertised closing date. Nominations can be made by email if necessary. All nomination fees are to be paid prior to the meet's closing date. This can be done by direct deposit or please contact executives for alternative arrangements where possible.

Swimming at these meets also will enable swimmers to record qualifying times for Brisbane and Queensland Championship Meets. Swimmers should discuss which events they should swim with their coach.

All swimmers representing the Club at these meets are expected to wear the Aspley Cap.

**The Aspley Coach/es attend selected (NOT ALL) meets with the Aspley team.**

***Please note: There is no obligation for members to train with the club coach, but the following clarification is provided to assist members competing at meets where the club coach is in attendance.***

- Coaching responsibilities on these occasions will include supervision of warm-ups and warm downs as well as providing professional advice to swimmers regarding their race performances.
- The Aspley coaches are members of a professional body (ASCTA) and as such comply to a professional Code of Conduct and ethical standards. It would therefore be expected that the Aspley Coaches would not approach or discuss performances with swimmers who train with another coach. The only exception to this would be in the instance that a prior arrangement had been made between the coaches involved and approval sought from the Aspley Swim Club Committee.
- If an Aspley club member competes for the club but does not participate in any external squad or learn to swim program, it is reasonable that they may be given direction by the Aspley coach/coaches at meets.

# TROPHIES & PRESENTATION NIGHT

## ANNUAL PRESENTATION NIGHT

**TROPHY PRESENTATIONS:**     *Date to be announced*

At the end of the swimming season, the club organises a Trophy Presentation at which all trophies are presented. This is always a fantastic occasion for our swimmers, celebrating their achievements and recognising their efforts and personal successes. All families are encouraged to attend and support this function.

Notices about pricing, tables/seating, function arrival times etc are announced at Club Nights and via the Club Facebook page closer to the event.

**All children who do not receive a points trophy or other form of trophy will be awarded an encouragement trophy.**

**N.B.** As the points system is cumulative swimmers are encouraged to attend regularly throughout the season. Every swim earns points and improvement in times generates extra points.

## SWIM RECORDS

Fastest times recorded for both Club and Pool swimmers at Aspley Swimming Club can be found in a separate PDF in the Forms and Documents section on our website.

Records are updated shortly after each record attempt is verified.

### POOL RECORD

This is the fastest recorded time of a swimmer (from any club) in the Aspley Pool for a particular event.

### CLUB RECORD

This is the fastest recorded time of an ASPLEY swimmer in the Aspley Pool. An Aspley swimmer may equal/break a club record without winning the event.

### RECORD ATTEMPTS

- **A swimmer may nominate for an attempt for a pool and/or club record at a normal club meet.** The swimmer will be allowed the attempt providing they have swum within one (1) second of the record at any Club Meet Event or Swimming Queensland sanctioned event during the current season.
- **The swimmer must notify, one week in advance,** the Records Coordinator who will verify and schedule the record attempt.

**NB:** Records can only be equalled or broken in these races by swimmers who have nominated for the record attempt and have met the qualifying criteria above.

- **200m & 400m Events:**  
These swims are scheduled into the club calendar as opportunities for swimmers to try to meet qualifying times for record attempts in these events. As such, any swimmer who has qualified to swim the 100m event for a particular stroke may nominate for these events.

**Please note** that 200m & 400m swimmers **do not** earn points for these swims.

- **Age – All records are age on blocks at day of meet.**
- **Open – An open record may be held by a swimmer of any age.**
- **Certificates are awarded for both equalled and broken records.**
- **Records set up to the end of the 2010/2011 season were set on a year of birth basis; i.e. if you turned 10 at any time during the year you swam as a 10-year-old.**
- **Records set from the 2011/2012 season are age on blocks records as at the day of the meet.**
