## Welcome to Swimming with Aspley Swimming Club

***“So many people along the way, whatever it is you aspire to do, will tell you it can’t be done. But all it takes is imagination. You dream. You plan. You reach.” – Michael Phelps***

On behalf of this year’s Aspley Swimming Club (ASC) committee, it is our great pleasure to welcome all new and returning members to the current season. Aspley Swimming Club was established in 1966 and we strive to give children the opportunity to develop their proficiency and, especially, their enjoyment in the sport of swimming.

The philosophy of the Club is to provide competitive swimming opportunities for school age children. For most of our swimmers, this will mean participating in our Friday night Club Meets where the emphasis is on improving their individual swimming times in a family friendly and supportive environment. We also encourage and support our more competitive swimmers who represent our Club at Swimming Queensland and Brisbane Swimming Association sanctioned meets.

The continuing aims of the Club are to:

- promote swimming as a competitive sport.
- encourage water confidence and fitness.
- encourage self-improvement.
- promote good sportsmanship.

**There is a place for everyone at our Club!** Whether you are a Learn to Swim member, a social, or a more competitive swimmer, we want you all to feel part of this great club that has gone from strength to strength since its inception.

We have a management committee each year to help plan each season, but it is the contribution of every person, whether it is the swimmers or their family members, who will ensure the smooth-running of each meet. The committee works hard to provide a social program that will suit all our members no matter their level of ability, development, or commitment; and we need and value your participation and involvement to make these events a success.

As a Club, we make a commitment to attend at least one inter-club friendly carnival each season (usually more), with dates to be advised as soon as they are scheduled. These meets are a perfect opportunity to introduce swimmers to the competitive side of swimming whilst representing our Club. We always aim to do our best but, as the name implies, these events are ‘friendly’ and are a great opportunity to strengthen existing and build new relationships with fellow swimming clubs across the greater Brisbane metropolitan area.

The Club will also invite our competitive swimmers to attend Competitive meets throughout the season. These Swimming Queensland/ Brisbane Swimming Association sanctioned meets will be advertised as they arise.

We also continue our successful training partnership with Swim Solutions who provide Learn to Swim lessons and Squad training programs.

ASC is an endorsed subcommittee of Aspley State School Parents and Citizens’ Association (the P&C). Therefore, we encourage all members to also be members of the P&C. This ensures a mutually respectful and supportive relationship between the Club and the P&C. Any general enquiries or questions about Club nights should be directed to the subcommittee, in the first instance These contact details are printed in this Handbook, which is also available on the website. For additional concerns or enquiries, the P&C executive can be reached at [pandc@aspleyss.eq.edu.au](mailto:pandc@aspleyss.eq.edu.au).

We look forward to sharing a wonderful season of swimming with you in 2025-2026.

*Aspley Swimming Club Management Subcommittee*

## CODE OF CONDUCT

### General Behavioural Guidelines

Swimming Australia promotes the following behavioural guidelines to all people involved in any way with the sport of swimming, particularly those responsible for activities involving members under the age of 18 years. These behavioural guidelines highlight the principles and values of Swimming Australia and are the core principles of the Member Welfare and Child Welfare Policy documents.

As a person involved in any way with the sport of swimming, the following standard of behaviour is expected:

- Respect the rights, dignity and worth of others.
- Be ethical, considerate, fair, and honest in all dealings with other people and organisations.
- Be professional and accept responsibility for your actions.
- Make a commitment to providing quality service.
- Be aware of Swimming Australia's standards, rules, and policies.
- Operate within the rules and spirit of the sport, including the national and international guidelines that govern Swimming Australia.
- Understand the possible consequences of breaching Swimming Australia Member Welfare and Child Welfare Policies.
- Immediately report any breaches of the Swimming Australia Member Welfare and Child Welfare Policies to the appropriate authority.
- Refrain from any form of abuse towards others.
- Refrain from any form of harassment toward others.
- Refrain from any form of discrimination toward others.
- Refrain from intimate relations with members whom they have a supervisory role or power over.
- Refrain from any form of victimisation toward others.
- Provide a safe environment for the conduct of activities in accordance with any relevant Swimming Australia policy.
- Show concern and caution toward others that may be sick or injured.
- Be a positive role model.

### Competitor Behavioural Guidelines

- Abide by the General Behavioural Guidelines.
- Always follow the rules of Swimming Australia.
- Always give your best.
- Never argue with an official. Use the appropriate rules and guidelines to resolve a dispute.
- Control your temper. Verbal or physical abuse is not acceptable.
- Work equally hard for yourself and/or your team.
- Be a good sport. Applaud good performances whether they are made by your team or the opposition.
- Treat all swimming participants, as you would like to be treated. Do not bully or take unfair advantage of another competitor.
- Cooperate with your coaches, teammates, opponents, management, event staff and officials.
- Participate for your own enjoyment and benefit, not to satisfy the expectations of others.
- Respect the rights, dignity and worth of all participants regardless of their gender, ability, ethnicity, cultural background, or religion.

### Spectator Behavioural Guidelines

- Abide by the General Behavioural Guidelines.
- Remember that people participate in sport for their enjoyment and benefit, not yours.
- Applaud good performance and efforts from all individuals and teams. Congratulate all participants on their performance regardless of the outcome.
- Respect the decisions of officials and teach others to do the same.
- Never ridicule or scold an athlete for making a mistake. Positive comments are motivational.
- Reject the use of violence in any form, whether it is by spectators, coaches, officials, or competitors.
- Show respect for all athletes. Without them there would be no competition.
- Encourage competitors to follow the rules and the officials' decisions.
- Do not use foul language, sledge, or harass other competitors, coaches, or officials.
- Respect the rights, dignity and worth of every person regardless of their gender, ability, cultural background, or religion.

### Parent/Guardian Behavioural Guidelines

- Abide by the General Behavioural Guidelines.
- Encourage your child to participate in sport for their individual enjoyment, personal satisfaction, and improvement.
- Focus on your child's effort and performance, rather than winning or losing.
- Encourage your child to abide by the rules and accept judgements made by officials.
- Never ridicule or yell at a child for making a mistake or performing below expectation.
- Be an example to your child and others. Appreciate good performances by all participants.
- Support all efforts to remove verbal and physical abuse from the sporting environment.
- Show appreciation and respect for all people involved in your child's swimming.
- Respect the rights, dignity and worth of all participants, regardless of their gender, ability, ethnicity, cultural background, or religion.

## PARENT INVOLVEMENT

Aspley Swimming Club is about our children; we are a volunteer-run group that delivers a supportive environment for children to progress their swimming competence and confidence.

The ASC relies entirely on and significantly values your support. It is expected that you become involved, understand how the Club works, and assist wherever you feel comfortable (whether you are new or a returning family). Learning how things work is best done by shadowing an existing volunteer, and every committee member is committed to supporting our families to step into roles.

## GENERAL MEETINGS

The Club is a sub-committee of the Aspley State School P&C Association. The P&C has a minimum of three general meetings per semester. Your attendance at these meetings will greatly assist the administration of the Club. The date, time and venue for the P&C meetings will be advertised on the Aspley Swimming Club's Facebook group page, as well as the P&C Facebook page (@AspleySSPandC) and the Aspley State School newsletter.

## SUBCOMMITTEE (MANAGEMENT) MEETINGS

The ASC Management Committee will arrange meetings, formal or informal, to meet its operational needs. Members of the Club may be invited to contribute to these meetings, in which case meetings will be advertised on the Aspley Swimming Club's Facebook group page. Decisions or requests that require further P&C endorsement will be tabled in the subcommittee report, presented at a relevant P&C general meeting.

## CLUB NIGHTS

### CLUB MEET PROCEDURES

Your club is organised by the parents and past swimmers. **Each club meet we require about 18 volunteers to help** in the areas of nominations, recording, marshalling, time keeping, canteen service, setting up and packing down etc. Parents will be rostered to these duties throughout the season, so that all families can participate in these functions and allow your children to reap maximum benefits from the Club. No previous experience is necessary as the Club will provide appropriate training. This involvement provides an ideal opportunity to meet other parents in the Club. We try to ensure your swimmers are adequately supervised where a parent may be volunteering, so please speak with a club committee member if you need assistance.

**\*\*\* AUTOMATIC NOMINATIONS APPLY TO ALL REGISTERED CLUB SWIMMERS. \*\*\***

**IT IS THE SWIMMER'S, OR THEIR PARENT'S, RESPONSIBILITY TO INFORM THE NOMINATIONS CLERK IF THEY ARE UNABLE TO ATTEND A CLUB MEET BY THE PRIOR THURSDAY NIGHT, NO LATER THAN 6PM (PLEASE SEE NOMINATIONS FOR THE PROCESS TO DO THIS).**

#### **Friday night program**

6.00 pm – 6.15 pm	Gates open/Warm Up
6.15pm – 6.20pm	New/trial members debrief
6.20 pm – 6.30pm	Special Events
	Announcements and Marshalling
6.30 pm	Regular program swimming starts

#### **Sunday program**

1.30 pm – 1.45 pm	Gates open/Warm Up
1.45 pm – 1.55 pm	Announcements and Marshalling
2.00 pm	Swimming starts

\*Where there are mandated conditions (eg. Covid 19), Club Nights will be run to a modified schedule and the details will be distributed to all Members prior to the Commencement of the first meet.

## **NOMINATIONS**

All swimmers need to nominate the strokes and lengths that they want to swim. **Nominations from last season are carried forward.** If you are new to the Club and we did not capture your nominations, we would have assigned your swimmer to either the 12.5m (< 9yo) or 25m (older) distance events and strokes as per your Membership Form.

In future weeks, if you want to add your swimmer to additional events, please email [swimaspleynominations@outlook.com](mailto:swimaspleynominations@outlook.com) with 'Nominations' in the subject line. Nominations remain **automatic** for each week unless you advise the nominations clerk **BEFORE** 6pm Thursday of any changes.

### **If you will not be attending:**

Withdrawals must be **emailed** to [swimaspleynominations@outlook.com](mailto:swimaspleynominations@outlook.com) **no later than 6pm Thursday** This enables us to remove swimmers from races and condense the program.

### **If you want to add a stroke:**

If you want to add an additional event, again, these must be **emailed** to [swimaspleynominations@outlook.com](mailto:swimaspleynominations@outlook.com) **no later than 6pm Thursday.**

Please include your swimmer's name and the stroke. Your child will be automatically moved to the next distance once they have met the qualifying times on 2 (two) occasions. This is referred to as **Graduations.**

## **IMPORTANT UPDATE:**

**NOMINATIONS (UPDATES/CHANGES/WITHDRAWALS) MUST BE EMAILED TO [swimaspley@hotmail.com](mailto:swimaspley@hotmail.com) NO LATER THAN 6PM THURSDAY.**

Any Nomination requests\* received after 6pm Thursday may be accommodated as best as possible, with swimmers placed if there is an available lane. However, times will not be recorded and, therefore, points will not be awarded.

*\*Withdrawals due to illness only will be accepted up until the event start.*

## **RECORD ATTEMPTS**

Where your swimmer may like to attempt to break a Club and/or Pool record, or where Club officials recognise a swimmer is close to breaking a record, the nominations clerk must be advised via email (@hotmail.com) by 6pm the night before a meet. This will allow the Club to organise three (3) timekeepers to officiate the race record attempt.

## **SPECIAL POINTS**

❖ **Children will not be allowed to swim in a club meet unless they are accompanied by an adult who has accepted responsibility for their conduct and safety for the entire evening. An adult must supervise swimmers under the age of 18 years.**

- Help by parents is essential for the smooth running of club meets.
- Swimmers are responsible for reporting to the Race Marshall/s when their names are called.
- Swimming caps must always be worn in the pool.
- For the start of each race (after the referee's whistle), we ask for complete silence from the stand and all movement to cease.

- At the end of a race, swimmers must stay in the water in their correct lanes with caps on until the Referee instructs them to leave the water. Swimmers must then exit by the steps on both sides of the pool. Failure to comply will result in disqualification.
- Under the Queensland Department of Education's Community Hire Agreement, smoking (including the use of e-cigarettes and vapes) and/or the consumption of alcohol is not permitted on school grounds.

## CLUB MEET PROGRAM

***Freestyle and individual medley are swum each week (except no medley will be swum on the first night and during certain special events).***

Breaststroke, Butterfly, and Backstroke will be rotated throughout the season. Medley distances will alternate between 100m and 200m on a weekly basis, or at a schedule best suited to the members of the Club as determined by mutual agreement between the club committee and coach.

A maximum of two 100m stroke events as per the club calendar will be swum each meet.

To nominate in 200m and 400m swims, the swimmer **must** have qualified for the 100m race in the stroke nominated.

The Club Meet Program will be advertised via the ASC Facebook page and via email at the beginning of the season.

Currently, ASC uses the app Meet Mobile to share swimmers' times. We encourage members to download this app if they are interested in tracking their swimmer's progress.

## **CLUB CAPTAINS AND LEADERS**

### **CLUB CAPTAINS AND LEADERS' SELECTION PROCESS**

At the beginning of the season, swimmers who are interested in the role of Club Captains and Club Leaders will be asked to complete a “Nomination for Club Captain” form to be eligible for club captancy (generally aged 11 years and older).

## OTHER INFORMATION

### PARENTAL SUPERVISION

As your children's safety is of paramount importance, parents of children involved in any activity conducted by the club **MUST** either be present throughout the entire activity or arrange for another adult to accept that responsibility. **An adult must supervise swimmers under the age of 18 years.** Should clarification be required regarding this requirement, please contact a member of the Management Committee or the relevant Convenor.

### SICKNESS POLICY

Swimmer and Parent/Guardian must approach the Referees, and then advise the Nominations Clerk and Marshalls, should the swimmer become sick or injured on the day/night. Once this has been noted, the swimmer will be unable to compete for the remainder of the meet.

### CANTEEN

Our Club nights are held on Friday evenings from 6pm and we run a BBQ and canteen for the family to enjoy. All families will be rostered on to support the operations of the canteen. Should you not be able to attend on your rostered date, you will be required to find another member with which to swap shifts.

### TIMEKEEPERS

Our Club nights require a parent volunteer timekeeper for each lane. Being down on the pool deck gives some of the best seats in the house. This may be for just one half of the night, and we value every adult's participation. We may create a roster for timekeeping; however we generally ask for volunteers on the night. If we do not have the required number of timekeepers, a Club official may approach you to participate. For special race nights, we will require 18 timekeepers (three per lane).

### SWIMWEAR AND MERCHANDISE

Swimmers must have appropriate swimwear and a swimming cap to participate in Club meets. There is no specific uniform except for when members are competing at inter-club carnivals.

Limited club gear is available for purchase from the pool canteen on Club nights including bucket hats, shirts, and towels. Swimwear and goggles can be purchased independently or through Swim Solutions who offer competitive prices.

**Club caps are required for members to compete in all club carnivals** as swimmers are representing Aspley Swimming Club.

The Club will advertise any available merchandise through the Members' Facebook page or please contact the Merchandise Manager for more information.

## QUALIFYING TIMES & POINTS SYSTEM

### GRADING OF SWIMMERS

Club events are based on a system of graded scratch races (swimming against those with similar times irrespective of age). Points are allocated on basis of comparison with the swimmer's own best time.

Current swimmers' best time will be carried over from the previous season.

When a faster than best time is recorded, this time becomes the new best time.

Swimmers will automatically grade to the new distance on achieving the qualifying time on two (2) swims. This applies to all strokes including medley.

### QUALIFYING TIMES

	25m	28	50m
	50m	47	100m
BUTTERFLY	12.5m	15	25m
	25m	27	50m
	50m	43	100m
INDIVIDUAL MEDLEY	100m	1 min 40 sec	200m

A swimmer must have swum 25m of each stroke to be eligible to nominate for the individual medley. Once a swimmer automatically grades to 100m they must compete in that 100m event when it occurs. For swimmers to be eligible for 200m and 400m swims they **must** have qualified for 100m in the stroke nominated.

## ACCUMULATED POINTS SYSTEM

Points are awarded for performances in each stroke swum at Club meets as per the chart below:

DIVISION (Metres)		12.5m	25m	50m	100m	IM
Slower than best time by:	Greater than 2.5 sec	1	1	1	1	1
	Over 1.5 & less than or equal to 2.5 sec	2	2	2	2	2
	Over 0.5 & less than or equal to 1.5 sec	3	3	3	3	3
Either side of best time by:	0.5sec	4	4	4	4	4
Faster than best time by:	Over 0.5 & less than or equal to 1.5 sec	5	5	5	5	5
	Over 1.5 & less than or equal to 2.5 sec	6	6	6	6	6
	Greater than 2.5sec	7	7	7	7	7

The allocation of points is made automatically by the electronic timing system.

President's Trophy, Individual Medley Trophy Race, Age Championship event points, and any special event swims (such as ASC Skins) are **not** accumulated towards Member's overall season total.

### FACTORS PERTAINING TO THE POINTS SYSTEM

For new members, the time recorded for the first swim becomes the best time. These members and graduating swimmers will accrue 4 points irrespective of which distances swimmers are graduating to or from.

12.5m	25m	4 points
25m	50m	4 points
50m	100m	4 points

If a swimmer nominates in a stroke and elects not to swim in that stroke without good reason, and without advising the Referee, one (1) penalty point will be deducted from his/her accumulated total for that stroke.

If a swimmer is disqualified, they will accumulate one point.

## **SPECIAL RACES**

### **PRESIDENT'S TROPHY and 25M RACES (record attempts)**

The final meet for Term 4 is the President's Trophy and 25m Race Records (all swimmers). At this meet, three (3) timekeepers are required for each lane.

The Meet begins with the President's Trophy race and then will continue with 25m Races for all strokes. These are record attempts for swimmers to have the opportunity to break Club records.

### **PRESIDENT'S TROPHY RACE**

This is a perpetual trophy awarded to the male and female winners of their respective handicap races. This is a 50m freestyle event involving the leading six male and six female point scorers (excluding Medley) as at the conclusion of the Club Meet prior to the holding of the President's Trophy race. Contestants are announced prior to the start of the race; should any be absent the next highest scorer/s will be eligible to swim. Only swimmers eligible to swim 50m freestyle are considered. The winners receive a trophy at the Presentation Night, and the participants a memento of the race.

#### **President's Race Procedure:**

The top 6 males and top 6 females who have swum 50m will be announced. Where a contestant is absent, the next highest scorer/s will be called to participate.

The females will swim a handicap race of 50m Freestyle first, then the males will swim their race.

The winner of each race will receive a trophy at the Presentation Night, and the participants a memento of the race.

### **INDIVIDUAL MEDLEY RELAY**

This race occurs in Term 1, in the second half of the season.

Participants in this event will be the top 6 male and 6 female points' scorers (including Medley) as at the conclusion of the preceding club meet. For the purposes of this event the points will have been calculated solely on points earned in the second (2<sup>nd</sup>) half of the summer season. Only swimmers who have swum Individual Medley in a club meet in the current season will be considered. Contestants are announced prior to the start of the race; should any be absent, the next highest scorers will be eligible to swim.

#### **IM Relay Race Procedure:**

The top three (3) males and three (3) females will be announced. They will then, in order, draw the name of their relay partner from the names of the three (3) next highest points' scorers. The males will draw from the female swimmers and the females from the males.

The six (6) teams of male-female (2) swimmers will then swim a handicap race of 2 x 100m Individual Medleys. Each team may decide which swimmer will swim first.

The winning team will receive towels and the other contestants a memento of the race.

## **ASC SKINS**

Skins is new to ASC in 2025-2026. A skins race is a fast-paced, elimination-style sprint competition. Swimmers compete in a series of rounds, with the slowest swimmers eliminated after each round. The remaining swimmers then advance until the next round, with the process continuing until a final winner is determined.

ASC Skins will be a 25m freestyle swim.

This elimination-style sprint event will involve the fastest six (6) male and six (6) female swimmers who have club recorded times (outside times will not be considered).

Contestants are announced prior to the start of the race; should any be absent, the next fastest will be eligible to swim.

This race does not contribute towards the end of season points.

### **ASC Skins Race Procedure:**

The six female swimmers will all start at the same time and then the six male swimmers will all start at the same time. Swimmers will compete in a series of five (5) rounds, with the slowest swimmer (or swimmers) eliminated after each race (1 round per swimmer). This continues until we have our overall winner.

Females will swim first, then the males, alternating for each race.

After each race, the swimmers will return immediately to the blocks for the next elimination round and need to be ready for the starter.

Rounds are fired off at short, set intervals, meaning athletes must not only sprint but also recover and reset quickly.

The winner of each Skins race will receive a voucher.

- The Club will advertise a closing date several days prior to the advertised Meet Closing Date to enable us to process the nominations. No nomination can be accepted after this time and date.

*Note: The P&C Accounting Manual has guidelines (Section 11.3) for the giving of gifts and having considered these guidelines in relation to volunteer time given by the ASC Coach at competitive meets, a monetary gifts can be given when the guidelines are met. For the 2025-2026 Season, the Aspley Swimming Club Management Committee will continue to include a Coach's Honorarium payment as part of each Competitive Swimmers' registration fee, paid through Swim Central. This nominal amount is to support the Club Coach to attend Competitive Meets and support the competitive swimmers in their endeavours. This Honorarium is to be endorsed at an Aspley State School P&C Meeting prior to the Club season commencing, and is to be reviewed annually by the Management Committee to determine the necessity and benefit to our Club members.*

## **ATTENDING MEETS WITH THE ASPLEY TEAM**

Swimming Queensland Membership fees include the opportunity for members to nominate to compete at any Swimming Queensland/Brisbane Swimming Association approved meet or interclub carnivals with affiliated clubs.

The Club encourages as many competitive swimmers as possible to take up this option to enhance their swimming experience. Some meets require qualifying times, others do not. There are meets for everyone. If you are unsure, please speak to the Race Secretary. Details of meets are notified via our Facebook page and will also be posted to the club website (where available). Please read the information carefully and submit your nominations by the Club's closing date. This date will usually be a few days prior to the Meets' advertised closing date. Nominations can be made by email if necessary. All nomination fees are to be paid prior to the meet's closing date. This can be done by direct deposit or please contact the management committee for alternative arrangements where possible.

Swimming at these meets also will enable swimmers to record qualifying times for Brisbane and Queensland Championship Meets. Swimmers should discuss which events they should swim with their coach.

All swimmers representing the Club at these meets are expected to wear the Aspley swimming cap.

***The Aspley Coach/es attend selected (NOT ALL) meets with the Aspley team.***

***Please note: There is no obligation for members to train with the Club coach, but the following clarification is provided to assist members competing at meets where the club coach is in attendance.***

- Coaching responsibilities on these occasions will include supervision of warm-ups and warm downs as well as providing professional advice to swimmers regarding their race performances.
- The Aspley coaches are members of a professional body (ASCTA) and as such comply to a professional Code of Conduct and ethical standards. It would therefore be expected that the Aspley Coaches would not approach or discuss performances with swimmers who train with another coach. The only exception to this would be in the instance that a prior arrangement had been made between the coaches involved and approval sought from the Aspley Swimming Club Committee.
- If an Aspley Swimming Club member competes for the club but does not participate in any external squad or learn to swim program, it is reasonable that they may be given direction by the Aspley coach/coaches at meets.

## SWIM RECORDS

**Fastest times recorded for both Club and Pool swimmers at Aspley Swimming Club can be found in a separate PDF in the Forms and Documents section on our website, closed members Facebook group, or provided via email on request.**

**Records are updated shortly after each record attempt is verified.**

### POOL RECORD

This is the fastest recorded time of a swimmer (from any club) in the Aspley Pool for a particular event.

### CLUB RECORD

This is the fastest recorded time of an ASPLEY swimmer in the Aspley Pool. An Aspley swimmer may equal/break a club record without winning the event.

### RECORD ATTEMPTS

- **A swimmer may nominate for an attempt for a pool and/or club record at a normal club meet.** The swimmer will be allowed the attempt providing they have swum within one (1) second of (or better than) the record at any Club Meet Event or Swimming Queensland sanctioned event during the current season.
- **The swimmer must notify, one week in advance,** the Records Clerk who will verify and schedule the record attempt.  
**NB:** Records can only be equalled or broken in these races by swimmers who have nominated for the record attempt and have met the qualifying criteria above.
- **200m & 400m Events:**  
These swims are scheduled into the club calendar as opportunities for swimmers to try to meet qualifying times for record attempts in these events. As such, any swimmer who has qualified to swim the 100m event for a particular stroke may nominate for these events.

**Please note** that 200m & 400m swims **do not** earn points.

- Age – All records are age on blocks at day of meet.
- Open – a swimmer of any age may hold an open record.
- Certificates are awarded for both equalled and broken records.
- Records set up to the end of the 2010/2011 season were set on a year of birth basis; i.e., if you turned 10 at any time during the year, you swam as a 10-year-old.
- Records set from the 2011/2012 season are Age on Blocks records as at the day of the meet.
