

UNIFORM DRESS CODE

The Aspley State School uniform is worn proudly by all our students. School uniforms help encourage a sense of being part of a school community. Both our formal and sports uniforms have been designed to be practical, comfortable and sun safe.

Wearing the school uniform is an enrolment expectation. Students are able to wear either the formal or sports uniform each day depending on the activities they undertake. The formal uniform is required for special occasions, such as assemblies, excursions, school photos, special excursions and events.

THE ASPLEY UNIFORM SHOP

The Aspley State School Parents & Citizens' Association ("The P&C") supports the wearing of the school uniform and manages the Aspley Uniform Shop. The shop is located on the eastern side of the school hall. It stocks most uniform items, including bags, hats and some second-hand items.

Opening times of the Uniform Shop varies based on staff and volunteer availability. The shop is open additional hours at the beginning of the school year and, when required, at the beginning of each term for new enrolments.

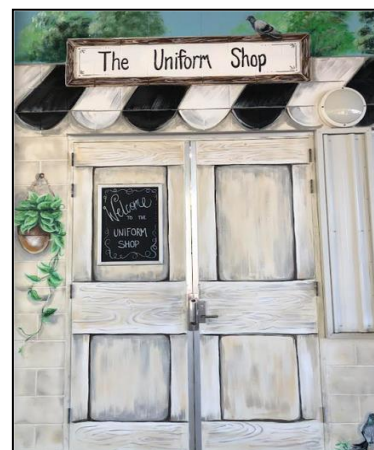

During busy times, you may be asked to reserve a fitting appointment. Most families order uniforms via Flexischools (the online ordering app), which are then delivered to the student via the classroom teacher. The Uniform Shop accepts cash or card. There is a Returns and Exchange Policy that can be viewed in store or emailed on request.

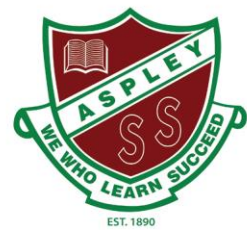

For the current opening hours, you may wish to email the Uniform Shop, check the P&C Facebook page (@Aspley SSPand C), or the fortnightly electronic school newsletter.
