

Investing for Success

**Under this agreement for 2016
Aspley State School will receive**

\$279,049*

This funding will be used to

- Enhance the school's overall performance to be comparable to and above 'like school' in performance for every aspect of NAPLAN data analysis.
- Continue to implement the new governance structure of additional middle management to work with and across year level teams to ensure consistency and focus on the whole school improvement agenda.
- Ensure all staff have the resources required to enact the whole school improvement agenda.
- Provide a curriculum that is suited to student needs and delivered in a way that enhances their performance.
- Provide time for teachers to work collaboratively with their colleagues to analyse, plan, implement, assess, moderate and review a powerful and meaningful curriculum.

Our initiatives include

- Ensuring all staff have the resources and support required to deliver a curriculum that differentiates, supports and engages students to achieve to their full potential.
- Making time for great teaching utilising the power of the collective to research, coach, review and enhance great teaching practice at Aspley State School.
- Introduce a STEM specialist across P-6.
- Enhancing teacher aide time across the school who specialise and work solely with a year level team.
- Making time for collaboratively data analysis, team planning, moderation and review of units of work on a termly basis.
- implementing Powerful Learning (Wayne Craig and Professor Hopkins)

Our school will improve student outcomes by

- Achieving the targets identified in the 2016 Explicit Improvement Agenda.
- Procuring additional human and physical resources to support curriculum delivery.
- Continuing the student welfare office position.
- Providing professional development and allowing for study tours to investigate best practice off campus.
- Making time for great teaching allowing whole year levels an additional one hour of time each week to collaboratively be involved in data analysis / coaching and mentoring type activities.
