NAME CARDS ON WINDOW SCREENS
All cars picking up children are asked to have a card with their family name written on it, big enough to be seen by teachers on duty.
Display an A4 size card on the front left hand side of the windscreen or use our template for a Windscreen visor size and flip your visor when entering the area.
Laminated Cards are available for purchase $1. To have a laminated name card printed email your details to the office admin@aspleyss.eq.edu.au
Please ensure Grandparents have a card or you can even use a CARPOOL nickname and make it a little fun.
Template available on schools website
