The program is run all year long, each session will be held after School on Friday from 3pm to 4pm so as not to disturb classes.

## Mini Men's Shed Overview

Mini Men's Shed is a mentoring and nurturing program aimed at children from Grade 3 to Grade 6.

The program uses a child centered approach to empower and equip children to manage their emotions and overcome the challenges they may face at school and in their personal lives.

Mini Men's Shed provides a supportive, safe and non-judgmental environment in which children can work through their problems and learn to thrive.

### Foundational Concept

#### **Significance:**

'Body and Sould, I am Wonderfully made'

The focus is for each participant to understand for themselves that they are valuable, unique, one-of-a-kind and loved. Personal identity is formed through embracing who you are and realising the potential within.
