Great Results Guarantee

Under the agreement for 2015
Aspley State School will receive

$266,297

*Estimated on 2014 data. Actual funding will be determined after 2015 enrolment data is finalised.

This funding will be used to

- Enhance the school’s overall performance to be comparable to and above ‘like school’ in performance in every aspect of NAPLAN data analysis.
- Implement a new governance structure adding additional middle management to work with and across year level teams to ensure consistency and focus on the whole school explicit improvement agenda.
- Ensure all staff have the resources required to enact the whole school improvement agenda.
- Provide a curriculum that is suited to student needs and delivered in a way that enhances their performance.
- Provide time for teachers to work collaboratively with their colleagues to analyse, plan, implement, assess, moderate and review a powerful and meaningful curriculum.

Our strategy will be to

- Ensure all staff have the resources and support required to deliver a curriculum that differentiates, support and engages students to achieve to their full potential.
- Facilitate a collaborative and team approach to core business ensuring teachers know their students, know the curriculum and vary the pathways.
- Implementing an enhanced governance structure incorporating team leaders and year level coordinators who’s focus is to work with and across their teams to ensure curriculum consistency and focus on whole school improvement agenda.
- All staff have a full understanding of the whole school improvement agenda and the role they play in making every day count for Aspley Students.

Our school will improve student outcomes by

- Achieving the targets identified in the school’s 2015 Explicit Improvement Agenda.
- Procuring additional physical resources to support literacy and numeracy.
- Continuing the employment of a numeracy specialist.
- Creating a student welfare officer position.
- Procuring additional teacher aides so that prep classes have full time aides, each year level has a dedicated teacher aide and there is additional time for Student Support Services.
- Providing professional development and allowing for study tours to investigate best practice.
