Aspley State School

For all Aspley State School students to dream, believe, create and succeed in every stage of their learning journey.

All about Prep

Prep is the first formal year of schooling.

The full time program requires children to attend school from Monday to Friday for the whole school day.

Children must be aged 5 by 30 June in the year they start Prep.

At Aspley State School, children at Prep are provided with the foundation for success at school through the development of their knowledge and understanding and skills detailed in the Australian Curriculum for English, Mathematics, Science and HASS (Humanities and Social Science). They are taught social and personal learning skills, music, health and physical and active learning processes.

Our Philosophy

At Aspley State School, we know that children need to feel safe, secure, supported, confident, valued, successful and challenged.

To be an active participant in the teaching and learning process, we need to first understand how children learn. We value the importance of everyday experiences and aim to create an environment which encourages questioning, risk taking and other forms of learning.

Enrolling in Prep

If you live within our catchment area you can enrol your child at any time into our Prep program. Please call the school on 3863 9111 for our enrolment forms.
